THE OLD WOMAN
AND HER PIG

An old woman was sweeping
her house, and she found

a crooked little sixpence.

“What,” said she, “shall I
do with this little sixpence?”

I will go to the market and
buy a little pig.”

СТАРУШКА
И ЕЁ ПОРОСЁНОК

Старушка подметала свой
дом и нашла изогнутую малень-
кую денежку (грошик).

«Что, — сказала она, — я сде-
лаю с этим грошиком?»

Я пойду на базар и куплю
поросёнка».

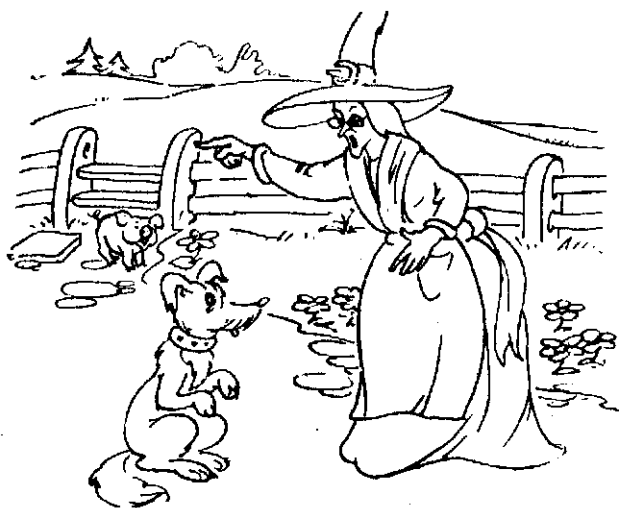

As she was coming home, she came to a stile; the piggy would not go over the stile.

Когда она шла домой, она подошла к перелазу; поросёнок не захотел перелезть через перелаз.

She went a little farther and she met a dog. So she said to the dog: "Dog, Dog, bite Pig." But the dog would not.

Она прошла немного дальше и встретила собаку. И вот она сказала собаке: «Собака, Собака, укуси Поросёнка». Но собака не захотела.

So she went a little farther
and she met a stick.

So she said: "Stick, Stick beat
Dog." But the stick would not.

И она пошла немного дальше
и встретила палку.

И вот она сказала: «Палка,
Палка; побей Собаку». Но палка
не захотела.

So she went a little farther
and she met a fire.

[ˈfaɪə]

So she said: "Fire, Fire, burn
Stick." But the fire would not.

И она прошла немного даль-
ше и встретила огонь.

И вот она сказала: «Огонь,
Огонь, сожги Палку». Но огонь
не захотел.

So she went a little farther
and she met some water.

[ˈwɔ:tə]

So she said: "Water, Water,
quench Fire." But the water would
[kwent]
not.

И она прошла немного даль-
ше и встретила водичку.

Тогда она сказала: «Водичка,
Водичка, потуши Огонь». Но
вода не захотела.

So she went a little farther
and she met an ox.

So she said: "Ox, Ox, drink
Water." But the ox would not.

И она пошла немного дальше
и встретила быка.

И вот она сказала: «Бык,
Бык, выпей Воду». Но бык не
захотел.

So she went a little farther
and she met a butcher.

[ˈbʊtʃə]

So she said: "Butcher, Butcher,
kill Ox." But the butcher would
not.

И она пошла немного дальше
и встретила мясника.

Тогда она сказала: «Мясник,
Мясник, убей Быка». Но мясник
не захотел.

So she went a little farther
and she met a rope.

[roʊp]

So she said: "Rope, Rope, hang
Butcher." But the rope would not.

И вот она пошла немного
дальше и встретила верёвку.

И она сказала: «Верёвка,
Верёвка, повесь Мясника». Но
верёвка не захотела.

So she went a little farther and she met a rat.

So she said: "Rat, Rat, gnaw Rope." But the rat would not.

И вот она пошла немного дальше и встретила крысу.

Тогда она сказала: «Крыса, Крыса, перегрызи Верёвку». Но крыса не захотела.

Then she met a cat. So she said: "Cat, Cat, kill Rat." The cat said to her: "If you go to yonder cow and fetch me a saucer of milk, I will kill the rat."

Затем она встретила кошку. И вот она сказала: «Кошка, Кошка, убей Крысу». Кошка сказала ей: «Если ты пойдёшь вон к той корове и принесёшь мне блюдечко молока, я убью крысу».

So away the old woman went
[ə'weɪ]
to the cow and said: "Cow, Cow,
give me a saucer of milk."

But the cow said to her: "If
you go to yonder haymakers and
[ˈheɪmeɪkəz]
fetch me a wisp of hay, I'll give
[ˈwɪsp] [heɪ]
you the milk."

So away the old woman went
to the haymakers and said: "Hay-
makers, Haymakers, give me
a wisp of hay." But the haymakers
said to her: "If you go to
yonder stream and fetch us a
[stri:m]
bucket of water, we will give
[ˈbʌkɪt]
you the hay."

So away the old woman went,
but when she got to the stream,
she found the bucket full of
[ˈfʊl əv
holes.
ˈhəʊlz]

So she covered the bottom
[ˈkʌvəd] [ˈbɒtəm]
with pebbles and then filled the
[ˈpeblz] [fɪld]
bucket with water.

And so away she went back
with it to the haymakers, and
they gave her a wisp of hay.
[geɪv]

The old woman thanked them
[θæŋkt]
all gratefully.
[ˈɡreɪtfulɪ]

И вот пошла старушка к ко-
рове и сказала: «Корова, Корова,
дай мне блюдечко молока».

Но корова сказала ей: «Если
ты пойдёшь вон к тем косарям
и принесёшь мне клок сена, я
дам тебе молоко».

И вот пошла старушка к ко-
сарям и сказала: «Косари, Ко-
сари, дайте мне клочок сена».
Но косари сказали ей: «Если
ты пойдёшь вон к той речке и
принесёшь нам ведро воды, мы
дадим тебе сено».

И вот прочь старушка пошла,
но, когда она добралась до
речки, она обнаружила в ведре
много дыр.

Тогда покрыла она дно галь-
кой (камешками), а затем на-
полнила ведро водой.

И вот пошла она обратно с
ним к косарям, и они дали ей
клок сена.

Старушка поблагодарила их
от всего сердца.

She carried the wisp of hay
[ˈkæriɪd]
back to the cow and placed it
[pleɪst]
on the ground.
[graʊnd]

As soon as the cow had eaten
[hæd'i:tɪn]
the hay, she gave the old woman
the milk, and away she went
with the saucer of milk to the cat.

As soon as the cat lapped up
[læpt]
the milk...

The cat began to kill the rat;
[bɪ'gæn]
the rat began to gnaw the rope;

Она понесла клок сена назад
корове и положила его на землю.

Как только корова съела
сено, она дала старушке молоко,
и вот пошла она с блюдечком
молока к кошке.

Как только кошка вылакала
молоко...

Кошка начала убивать крысу;
крыса начала грызть верёвку;

the rope began to hang the
butcher; the butcher began to
kill the ox; the ox began to drink

верёвка начала вешать мясни-
ка; мясник начал убивать быка;

**THE LITTLE RED HEN
AND THE GRAIN OF WHEAT**
[wi:t]

Once upon a time there was
[ˈwʌns əˈpaɪn əˈtaɪm]
a little red hen who lived in a
big farm-yard. She had three
[ˈfɑ:m jɑ:d] [hæd]
fluffy yellow chicks.
[ˈflʌfi]

**РЫЖАЯ КУРОЧКА
И ПШЕНИЧНОЕ ЗЕРНО**

Жила-была (однажды была)
маленькая рыжая курочка (кото-
рая жила) на большом крестьян-
ском дворе.

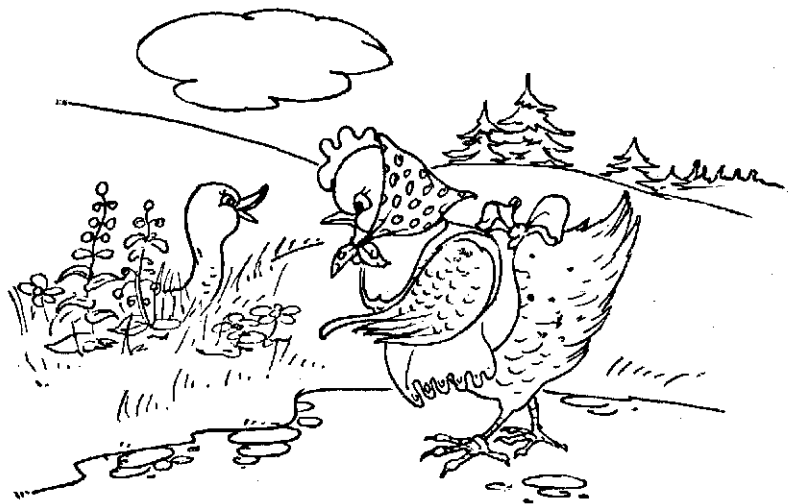

У неё было три пушистых
жёлтых цыплёнка.
(Она имела трёх пушистых жёл-
тых цыплят).

One morning as they were busily scratching about the yard, [ˈbɪzɪli] [ˈskrætʃɪŋ] looking for something to eat, the [ˈsɪmθɪŋ] little red hen found a grain of [ˈfaʊnd] wheat.

Excitedly she called to the cat, [ɪkˈsaɪtɪdli] [kɔːld] and the duck, and the pig, who lived in the farm-yard with her.

“Look!” she said. “See what I have found. Who will help me plant this grain of wheat?”

“Not I,” said the duck. “I must go down to the pond for a swim.”

“Not I,” said the cat, “I have some visitors coming in a few [ˈvɪzɪtəz] minutes.”

“Not I,” said the pig. “I don’t know how to do anything like that.”

Однажды утром, когда они усердно разгребали двор, разыскивая что-нибудь поесть, маленькая рыжая курочка нашла зерно пшеницы.

Взволнованно она позвала кошку, утку и поросёнка, которые жили на крестьянском дворе с ней.

«Смотрите! — сказала она. — Поглядите, что я нашла. Кто поможет мне посадить это пшеничное зерно?»

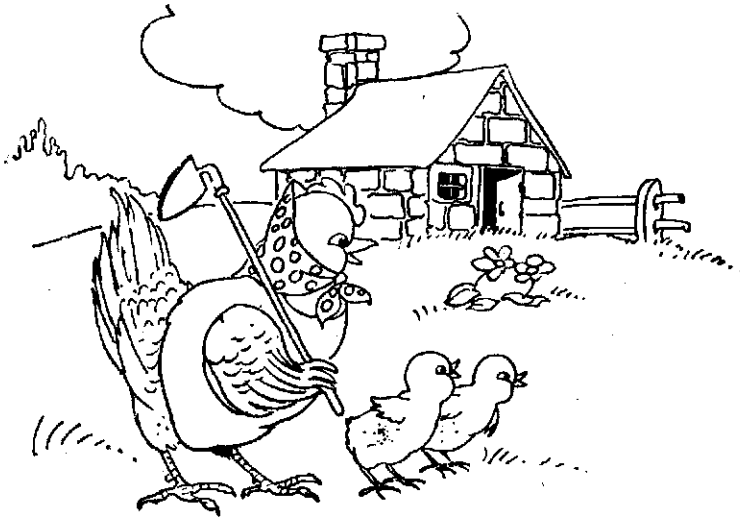

«Не я, — сказала утка. — Я должна идти к пруду поплавать».

«Не я, — сказала кошка, — ко мне гости должны прийти через несколько минут».

«Не я, — сказал поросёнок. — Я не знаю, как делается что-либо подобное».

They went away from the
[went]
little red hen as fast as they
could and stayed over at the
[kud] [sterd]
other end of the farm-yard where
they could be idle.
[aidl]

Они пошли прочь от рыжей
курочки, как можно быстрее, и
остались на другом конце кре-
стьянского двора, где они могли
бездельничать.

The little red hen got her hoe,
[hou]
her rake and her shovel.
[reik] [ʃavl]

Рыжая курочка достала свою
мотыгу, грабли и лопату.

The three fluffy yellow chicks helped their mother, and soon they had dug a little hole in which to put the weat. They covered it lightly with earth. After few days, several little green shoots appeared.

The wheat grew and grew.

“Now, who will water the weat?” asked the little red hen one day.

Три пушистых жёлтых цыпленочка помогли своей маме, и скоро они вырыли маленькую ямку, чтобы положить в неё пшеничное зерно. Они слегка закрыли её землёй. Спустя несколько дней появились маленькие зелёные ростки.

Пшеничка росла и росла.

«А теперь, кто будет поливать пшеничку?» — спросила однажды рыжая курочка.

“Not I,” said the duck. “I have some other things to do just now.”

“Not I,” said the cat. “I have to take a little nap.”

“Not I,” said the pig. “I have to go and refresh myself in the shed.”

“Then I will,” said the little red hen, and she did.

«Не я, — сказала утка. — Как раз сейчас мне нужно (я должна) сделать кое-что другое (делать кое-какие другие вещи)».

«Не я, — сказала кошка, — я должна вздремнуть немножко».

«Не я, — сказал поросёнок, — я должен пойти и подкрепиться (отдохнуть) в сарае».

«Тогда я полью», — сказала рыжая курочка и полила.

After a while some weeds ap-
[wi:dz]
peared among the stalks of wheat.
[stɜ:ks]

Спустя некоторое время сор-
няки появились между стебель-
ками пшеницы.

One day the little red hen
asked:

“Now, who is going to weed
this wheat?”

“Not I,” said the duck. “That
sort of work does not agree
with me.”

“Not I,” said the cat. “I would
[wu:d]
not be able to tell the weeds
from the wheat.”

“Not I,” said the pig. “I have
other things on my mind besides
that wheat.”

“Very well, I will then,” said
the little red hen, and she did.

After a while the wheat began
[bi'gæn]
to ripen.
[tə'raipən]

“What fine wheat we have,”
said the cat, the duck and the
pig.

Однажды рыжая курочка спро-
сила:

«А теперь, кто будет полоть
эту пшеничку?»

«Не я, — сказала утка, — та-
кая работа не для меня (такой
сорт работы не подходит мне)».

«Не я, — сказала кошка, — я
бы не смогла отличить сорняки
от пшеницы».

«Не я, — сказал поросёнок, —
мне не до пшеницы (у меня дру-
гие вещи в мыслях, кроме этой
пшеницы)».

«Очень хорошо, я выполю
тогда», — сказала рыжая курочка
и выполола.

Спустя некоторое время пше-
ница начала созревать.

«Какая прекрасная пшеница
у нас», — сказали кошка, утка
и поросёнок.

"Yes, indeed, it is time to reap the wheat," said the little red hen.

"Who would like to reap it for us?"

«Да, действительно, пора жать пшеницу», — сказала рыжая курочка.

«Кто бы пожелал сжать её для нас?»

"Oh, not I," said the cat.

"Not I," said the pig.

"Not I," said the duck.

«О, не я», — сказала кошка.

«Не я», — сказал поросёнок.

«Не я», — сказала утка.

"Very well, then I will," said the little red hen.

«Очень хорошо, тогда я сожму», — сказала рыжая курочка.

She cut the heads off the grain very carefully and put them in a bag.

Она отрезала головки (колоски) от хлебного злака очень осторожно и положила их в мешок.

Then she called to the cat, the duck and the pig.

Затем она обратилась к кошке, утке и поросёнку.

"Now, who will take this wheat to the mill to be ground into flour?" she asked.

«А теперь, кто понесёт эту пшеницу на мельницу смолоть в муку?» — спросила она.

[ˈflaʊə]

"Not I," said the duck. "You know I cannot carry such a heavy

load."

[laʊd]

“Not I,” said the cat. “The dust would get into my nose [dast] and make me sneeze.”

[sni:z]

“Not I,” said the pig. “I do not know where the mill is.”

“Very well, then,” said the little red hen. “Then I will take it myself.”

So the little red hen trudged [trʌdʒd] off to the mill, and in a few hours she was back with a sack of fine flour.

“Now, who is going to make this flour into bread?” asked the little red hen.

“Not I,” said the duck.

“Not I,” said the cat.

“Not I,” said the pig.

“I will then,” said the little red hen and she did.

Soon the loaf was ready for [louf] the oven.

[ʌvʌ]

«Не я, — сказала кошка, — пыль попадёт мне в нос и заставит меня чихать».

«Не я, — сказал поросёнок, — я не знаю, где мельница».

«Очень хорошо, — сказала рыжая курочка, — тогда я отнесу её сама».

Итак, рыжая курочка потащилась на мельницу, и через несколько часов она вернулась с мешком прекрасной муки.

«А теперь, кто будет делать из этой муки хлеб?» — спросила рыжая курочка.

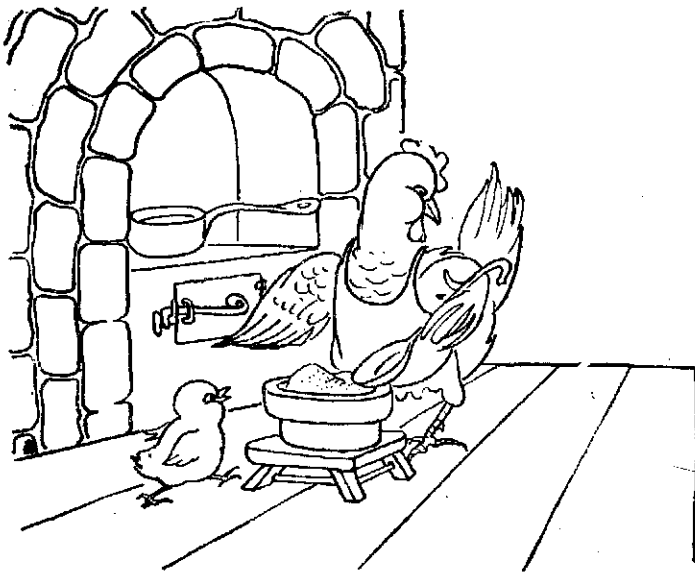

«Не я», — сказала утка.

«Не я», — сказала кошка.

«Не я», — сказал поросёнок.

«Тогда я сделаю, — сказала рыжая курочка и сделала.

Скоро буханка была готова для печи.

“Now, who is going to bake
this bread?” asked the little red
hen. [beɪk]

“Not I,” said the duck.

“Not I,” said the cat.

“Not I,” said the pig.

“I am afraid that I should burn it.”
[ə'freɪd] [ʃʊd] [bɜ:n]

“Very well, then,” said the little
red hen. “I will do it.”

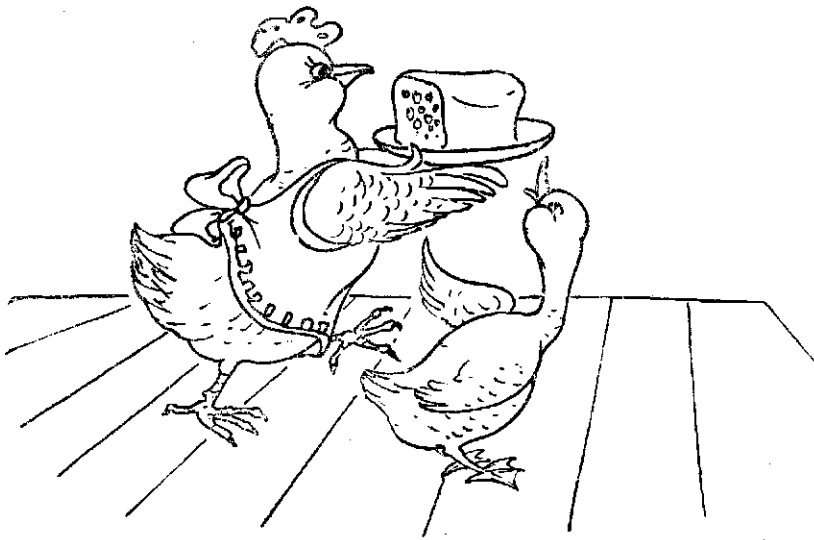

«А теперь, кто будет печь
этот хлеб?» — спросила рыжая
курочка.

«Не я», — сказала утка.

«Не я», — сказала кошка.

«Не я, — сказал поросё-
нок, — я боюсь, что я сожгу
его».

«Очень хорошо, — сказала ры-
жая курочка, — тогда я сделаю
это».

So the loaf of bread was baked,
and it was beautiful golden and
crusty.
[beɪkt] [bju:tɪfʊl] [gəʊldeɪn] [krʌsti]

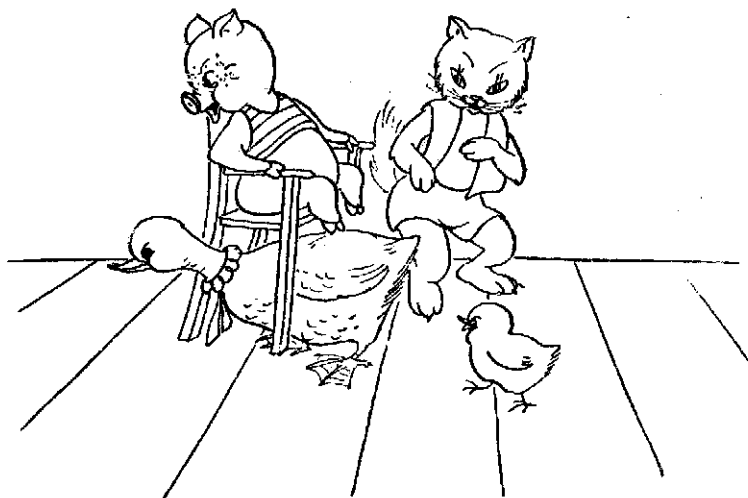

The little red hen put it on
the kitchen table, and the cat,
and the duck, and the pig came
into the house and looked at it
longingly.
[kɪtʃɪn] [lɔŋɡlɪ]

Итак, буханка хлеба была
испечена, и она была покрыта
красивой золотистой корочкой.

Рыжая курочка поставила её
на кухонный стол, а кошка,
утка и поросёнок вошли в дом
и смотрели на неё с завистью.

“Well now, who is going to eat this loaf of bread?” asked the little red hen.

«Ну, а теперь, кто будет есть эту буханку хлеба?» — спросила рыжая курочка.

“I will,” said the duck quickly.

“I will,” said the cat stepping close.

“I will,” said the pig, pushing his way right to the table.

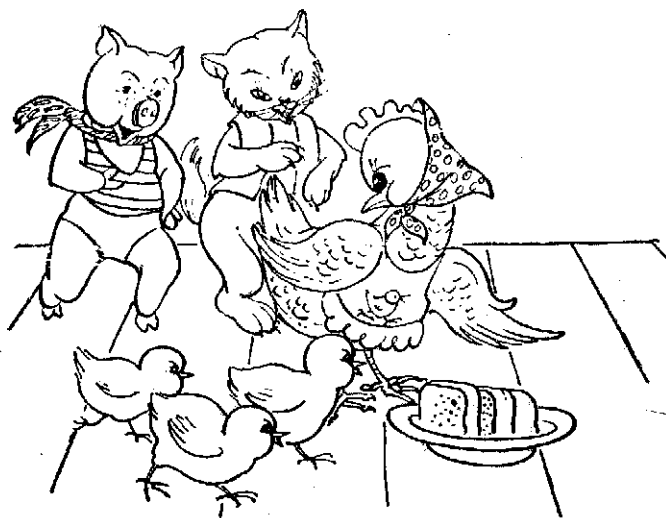

They crowded around the little [kraudid] red hen, each one trying to get closest to the tempting loaf of bread, but none of them dared to touch it.

«Я буду», — сказала утка быстро.

«Я буду», — сказала кошка, подвигаясь ближе.

«Я буду», — сказал поросёнок, проталкиваясь прямо к столу.

Они столпились вокруг рыжей курочки, каждый стараясь подобраться ближе всего к соблазнительной буханке хлеба, но никто из них не смел тронуть её.

"Oh, no, you won't," said the little red hen. "I am going to eat it myself."

Then she called her little chicks together, and they ate the whole loaf of bread.

Not a crumb was left for the duck, the cat or the pig.

«О, нет, вы не будете, — сказала рыжая курочка, — я буду есть её сама».

Затем она созвала своих цыплят, и они съели целую буханку хлеба.

Ни крошечки не осталось для утки, кошки и поросёнка.

The end — конец
